The annual Timbercrest Spring Gala is here, **Tuesday, May 7**, beginning over the lunch hour in the Timbercrest Dining Rooms at **11:45 a.m.** (Rose Garden) and **12:15 p.m.** (Courtyard). The day's menu features special Japanese items. Seating for the Noon meal will be posted outside the dining rooms. Requested seating arrangements (with guests) will be honored as much as possible. RSVP by May 3 to the Receptionist.

Social Hour after lunch in the Hub and Sun Room includes Japanese games, Sudoku, a photo station and comfortable conversation before the afternoon program. Pictures will be taken from 1:00-2:00 p.m.

A musical program of Traditional and Classical Japanese Music will be performed by Elaina Robbins & Daniel Quinn at **2:00 p.m.** in the Assembly Room.

Elaina is an accomplished vocalist and Associate Professor of Vocal Music at Purdue Fort Wayne School of Music. She studied at the University of Southern California and has degrees from the University of Michigan School of Music, Theater and Dance. She lives in Fort Wayne.

What to wear? For all, Japanese clothing (kimonos, katas, etc.) are fun and acceptable. If you don't have those, jacket and tie for men is recommended; for women, floral prints (especially cherry-blossom-looking) are very appropriate. Whatever you may have that is "dressy" is also appropriate.

Buddy Walk

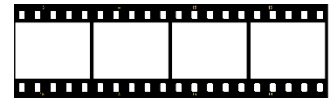

The annual Buddy Walk begins **Wednesday, May 1**. Over 60 residents and staff are participating in this program of goodwill and fellowship. Buddies will get their information packets in Campus Mail April 30 (staff will get them from their supervisors).

Timbercrest Film Committee Presents May Films

Friday, May 10: *Snow Falling on Cedars*

7:00 p.m., Assembly Room

2:07 hours with captions

Fog as thick and palpable as cotton hangs suspended over San Pedro Island. On the bay, a flickering lantern signals distress from a crippled fishing boat, while elsewhere a freighter lurches blindly through the chalky mist. By morning, sea and sky are clear, but the tranquil village of fishermen and berry farmers is forever changed. For one man has lost his life, and another—a childhood friend—has been charged with taking it. An investigation is launched. The trial begins.

Friday, May 24: *Green Book*

7:00 p.m., Assembly Room

2:10 hours - w/captions

In 1962 Tony "Tony Lip" Vallelonga, a tough bouncer, is looking for work when his nightclub is closed for renovations. The most promising offer turns out to be the driver for the African-American classical pianist Don Shirley for a concert tour into the Deep South states. Although hardly enthused at working for a black man, Tony accepts the job, and they begin their trek armed with *The Negro Motorist Green Book*, a travel guide for safe travel through America's racial segregation. Together, the snobbishly erudite pianist and the crudely practical bouncer can barely get along with their clashing attitudes to life and ideals. However, as the disparate pair witness and endure America's appalling injustices on the road, they find a newfound respect for each other's talents and start to face them together. In doing so, they would nurture a friendship and understanding that would change both their lives.

Celebration of Ordination

A reception honoring Chaplain Laura Stone will be **Saturday, May 4, from 2-4 p.m.** in the Assembly Room. The whole Timbercrest family is invited to drop by to give well-wishes and enjoy ice cream and cookies. Cards only, please. The volunteer chaplains and women's spirituality group are hosting this event.

Laura's ordination will take place **Sunday, May 5**, in the Manchester Church of the Brethren during the **9:30 a.m.** worship service.

Peace Corner

In *The Wounded Healer*, Henri Nouwen writes:

“A Christian community is a healing community, not because wounds are cured and pains are alleviated, but because wounds and pains become openings or occasion for a new vision. Mutual confession then becomes a mutual deepening of hope and shared weakness becomes a reminder to one and all of coming strength... Community rises where the sharing of pain takes place, not as a stifling form of self-complaint, but as a recognition of God’s saving promises.”

As a community, many at Timbercrest experience great joys to share: children’s weddings, new grandchildren, trips, gifts and cookies sent by family. We learn new things at art classes, in dining rooms, at Fellowship Hour, or just sitting in the sun listening to God and the birds.

Nouwen suggests that Timbercrest might also be a healing community if we learned ways to share our griefs and pains. Others understand your pain, and many have shared similar sorrows. As he states, sharing those things with one another can be “a recognition of God’s saving promises” – right here at Timbercrest.

We are a true Christian community when we see one another’s need and bring healing to each other.

Notices

Welcome to the Family!

Gloria Garber moved to M-1 from her home in North Manchester on April 2. Gloria grew up in Elkhart and spent 40 years in Washington, DC, doing secretarial work for a number of private and governmental employers. She has been in the Church of the Brethren all her life and attends the Manchester Church. Gloria is the daughter of Timbercrest resident Anne Garber.

Bud Bushell moved to M-4 from his home in Columbia City on March 31. He grew up in Rhode

Island, served in the Air Force for 20 years—posted all over the world—and then worked for Ingersoll Rand as supervisor of their computer room. He loves listening to music (rock and roll and country). Bud attends the Church of the Brethren in Columbia City.

More complete life stories of Timbercrest residents, plus photos, can be found in binders on the desk across from the Timbercrest library.

Many thanks to Eileen Flory who compiles these monthly introductions of new residents and Marie Willoughby who helps with The Timbercrest Story albums at the Timbercrest library.

May Fitness Challenge

MoveWell Assessor Cathy Vasil has challenged Timbercrest to monthly fitness activities. For May, the goal is to walk three or four times a week. This should be an intentional walk (not just to the dining room and back). Keep track of your walking to check your progress!

Newspaper Delivery by Mail

More and more local papers are being delivered by mail rather than by carrier – not only to Timbercrest, but to communities throughout the nation. These papers are working with the U.S. Postal Service to have same-day service, i.e. that the paper arrives in the mail the day the edition is released.

This same-day service has had mixed results. Even larger papers, like the *Indianapolis Star* and the *Wall Street Journal*, do not arrive every day, on time. Our

observation is that smaller papers, like the *Peru Tribune*, have a mixed success rate, also.

The Timbercrest Post Office is not responsible for delays in delivery. Mail is in all resident mail boxes by 10:30 a.m. and if your newspaper hasn’t arrived by then, it is likely that it didn’t come in the day’s mail. Complaints and concerns should be directed to the newspaper offices. Most newspaper contact information is available in every edition of the paper.

Thanking Birthday Hosts

Birthday Dinners in May are hosted by Manchester Missionary Church (May 9) and New Paris Church of the Brethren (May 21). Invitations to May birthday honorees have been sent. Stop by and thank these volunteers for their time and gift of hospitality on behalf of Timbercrest.

Dining Room Reservations

Family and guests are always welcome in Timbercrest Dining Rooms. Please make reservations at least 24-hours in advance through the Timbercrest Receptionist (not through the Dining Room hostess or server). Advance reservations insure there will be enough for regular Timbercrest diners and for guests coming in. The Food Service staff appreciate everyone's cooperation so the best possible service can be provided.

A Few Guidelines about Prescription Medicine Deliveries

CVS Pharmacy recently canceled its service of delivering medications to Timbercrest (and to Peabody). Some have asked how medications can be brought to Timbercrest for those who may not drive any longer. Several members of the Management Team have consulted and the following will serve as guidelines for us:

- If a resident wants to pick up their prescription at CVS, they can go during the usual taxi-shopping time on Thursday mornings at 9:30 a.m.
- Our understanding from CVS is that the best course of delivery is for the resident to pick-up/sign for medications on their own (or family/legal POA).
- The shopper/taxi driver will not pick up prescriptions. All prescriptions now require a signature of a responsible party.
- If a resident would like to go at time other than shopping/taxi time, Transportation Coordinator Kelli McCombs (or other staff) can provide the resident with our "Friendly Lift" list. These are volunteer drivers willing to take someone to CVS. Remuneration of the driver is expected and negotiated between resident at volunteer. Staff will not make special trips to CVS just for prescription medications.
- Residents who want delivery of medications may switch to Webb's Pharmacy (which will make deliveries):
- Webb's delivery is free for pick-up at the Hub from 4:00-4:30 daily. They will deliver to a resident's apartment for a \$2 charge.

Shop Your Neighborhood Market

Shopping the Neighborhood Market benefits Timbercrest programs! Plus, each year a donation to the Charitable Assistance Fund is made from Market proceeds. The market carries Lafiya Program items and Fair-trade goods. There are gift and convenience items, greeting cards, snacks and supplies in the Market. Come, see what's new.

Medicare and Insurance Updates

Help keep Timbercrest files up-to-date. If you had a change in health insurance coverage during the past year or new coverage, bring new insurance cards to the Receptionist so a copy can be placed in your file. Correct information helps Timbercrest provide quicker service should the need arise.
